A Good Name.

From personal experience I testify that DeWitt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and do their work with ease.—W. T. Easton, Boerne, Tex. Thousands of people are using these tiny little pills in preference to all others, because they are so pleasant and effectual. They cure biliousness, torpid liver, jaundice, sick headache, constipation, etc. They do not purge or weaken, but cleanse and strengthen. Sold by J. Jas. Wood & Son, Druggists.

Blankets...

Best to have them in reserve against sudden cold weather. After thoughts are apt to be melted out of icy experience. Buying blankets is a riskless proceeding here. Prices are very reasonable. Accurate details follow.

Cotton blankets for 59c in gray or white. A better quality for 75c in gray, brown or white and a still better for \$1.

Other desirable sorts are—
The Favorite for \$3 1/2 pair, weight 4 lbs., size 60x82 inches, four parts wool, one part cotton.

The Homestead for \$4 pair, weight 5 lbs., size 72x84 inches, fine wool filling, spool cotton warp.

The Satisfaction for \$5 pair, weight 5 lbs., size 72x84 inches, all wool in warp and filling. This blanket is a very popular seller but we won't test your credulity by stating the number sold in a season, as it is inconceivable for retailers and a town this size.

The Old Kentucky for \$6 pair, weight 5 lbs., size 72x84 in., fine all wool filling and warp.

The Superlative for \$7 1/2 pair, weight 6 1/2 lbs., size 72x84 in. extra fine wool filling and warp.

If TEDDY had his ear to the ground Tuesday night, he must have heard some very encouraging news from his Kentucky appointees.

MASON's normal Democratic majority a few years ago was about 400; it's now anywhere from 500 to 750. A few more "appointments" and it'll be more'n a thousand.

It is said that steps are being taken for a thorough legal investigation and exposure of the outrageous frauds practiced in the so-called election in Louisville last Tuesday. If the Courts will do their duty, the Legislature will be called on for a few additional Penitentiaries.

In telling how it was done in Louisville, The Evening Post says the first returns received came from the First Precinct of the Eleventh Ward and read—BECKHAM, 260; BELKNAP, 10; PRYOR 260, STONE 10, and so on without variation to the end of the list. That was a suspicious return, indicating that it was a fake, but when the official report came in later the figures were the same—260 to 10. In the election of 1900, in the Beckham-Yerkes race, the figures were 145 for BECKHAM and 76 for YERKES. In 1900 a Democratic majority of 69; in 1903 a Democratic majority of 250.

New Velings at Mrs. L. V. Davis's.

A party of twenty-five men, women and children from Greenup county left a few days ago for Michigan to locate. The men will be engaged in chopping wood this winter, and in the spring will open up farms, as all of them expect to buy land and found a little colony of Kentuckians in Antrim county.

MRS. J. L. TABB.

Mrs. Mary Jane Tabb, wife of Mr. J. L. Tabb, died at her home at Mt. Sterling Wednesday afternoon, and was buried yesterday in Maple Hill Cemetery at that place.

Deceased was born near Dover about 55 years ago.

At the age of 18 she was married to Mr. Tabb, and three children, H. G. and N. H. of Mt. Sterling and Mrs. L. F. Payne of Midway, all living, were the result of the union. Mrs. Tabb was paralyzed about sixteen years ago and had been an invalid ever since.

THE PLAYHIT OF THE SEASON.

"In the Palace of the King," which Miss Helen Grantly and a company of carefully selected players will present at the Washington Opera-house on Monday, November 16, reaches this city with an unusually strong endorsement. It ran 200 nights in New York City, and was claimed by the critics as the best piece of dramatic literature that Lorraine Stoddard had produced from his remarkably facile pen. Not only this, but it is undoubtedly the play hit of the season so far as the public is concerned. It will be presented here with all the original scenic and mechanical effects and with the same attention to dramatic detail that characterized its metropolitan engagement.

A GREAT TRUTH.

How It Has Spread From Home to Home in Maysville.

In every part of Maysville; in the homes of the wealthy; in the humble abode of the man of toil 'tis now a well-known fact—a great truth—that Doan's Kidney Pills have brought more comfort to backache sufferers and cured more sick kidneys than any medicine of modern times.

Mrs. M. C. Chisholm of 343 East Second street says:

"Mr. Chisholm speaks in high terms of Doan's Kidney Pills. He procured them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and their use proved them to be an effective kidney remedy. I have heard others express their appreciation of Doan's Kidney Pills. A medicine which cures kidney trouble is a most desirable one of which to know."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

HERE is what the mud roads of Maysville have cost each year for seventeen years past—

1880.....	9,307 41	1890.....	4,572 30
1881.....	6,284 17	1891.....	10,076 09
1882.....	6,109 78	1892.....	3,700 45
1883.....	5,125 85	1893.....	3,060 33
1884.....	5,449 75	1894.....	4,486 82
1885.....	6,238 12	1895.....	4,376 54
1886.....	6,693 35	1896.....	3,871 88
1887.....	21,673 96		
1888.....	9,002 06	Total.....	\$116,955 72
1889.....	6,831 16		

Just think of it—\$116,955.72 absolutely wasted, for we have just exactly the same sort of streets that we had before a dollar of this money was spent. If in 1886 the city had borrowed \$100,000 at 4 per cent. and built streets with that money, it would have cost the taxpayers \$4,000 a year for interest, or \$68,000 for the seventeen years.

The account would then look something like this—

What it has cost.....\$116,955 72

What it would have cost.....68,000 00

Saving to taxpayers.....\$48,955 72

Besides, we would have had seventeen years of the pleasure and comfort that follow good streets and clean surroundings.

THE DEMOCRATIC WAY!

Louisville Evening Post.

The Secretary of State declared that in the Eleventh District Convention the defeated candidate is entitled to the emblem. This is in accordance with the Democratic doctrine as preached and practiced in Kentucky since 1895.

ESPECIALLY TOM CAMPBELL'S JURIES.

Louisville Courier-Journal.

On the same day a South Carolina Jury acquitted Tillman of murder, and an Indiana Jury, as a result of a tossed nickel, acquitted a man of an attempt to murder. Trial by Jury is one of the jealously and justly guarded rights of a free country, although there are more crimes against Justice committed by Juries than are committed by openly avowed outlaws.

Stepped Against a Hot Stove.

A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to relieve him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house, she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Kellar, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, bruises and sprains. For sale by J. Jas. Wood & Son.

The Best Remedy for Croup.

From the Attention (Kan.) Daily Globe.

This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old-fashioned remedy for croup, known as hive syrup and tula, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by J. Jas. Wood & Son.

W. R. SMITH & CO

Meet me at Mills' Edisona, Fountain Square.

Although Mr. George W. Welsh, candidate for State Auditor on the Republican ticket, was in Colorado, where he has been for nearly two weeks attending the bedside of George W. Welsh, Jr., who is critically ill, he carried Boyle county by a big majority. The fact that Beckham carried the county by 53 shows that this was purely complimentary, and attests to the popularity of one of the best Republicans in the state.

Beauty's Refuge.

The finer or more delicate your complexion, the more it will suffer from the weather for several months now. Just a little lack or a little excess of moisture in the atmosphere and chapping will result. Those who care little for beauty at least care for comfort, and there is comfort in a smooth, soft skin.

Chenoweth's Cream Lotion

keeps the skin like velvet. We make it. It is harmless as dew. We do not believe the skin can possibly chap where it is used properly, or stay chapped long after it is applied.

Sickness steals more savings than the burglar. Slowly, coin by coin, the money that has been so hard earned is paid out for drugs and doctors. Sickness is the worst enemy of the working man, and the common cause of the stomach often involving the heart, lungs, liver, or kidneys.

The use of Dr. Pierce's Golden Medical Discovery will stop the stealing of the savings by sickness. It cures diseases of the stomach and other organs of digestion and nutrition. It cures diseases of heart, liver, lungs, kidneys, etc., when these diseases are caused by the diseased condition of the stomach and its allied organs.

\$3,000 FORFEIT will be paid by the World's Dispensary Medical Association, Proprietors, Buffalo, N. Y., if they cannot show the original signature of the individual volunteering the testimonial below, and also of the writers of every testimonial among the thousands which they are constantly publishing, thus proving their genuineness.

"About ten years ago I began to have trouble with my stomach," writes Wm. Connolly, of 335 Walnut Street, Lorain, Ohio. "It got so bad I had to lay off quite often. You advised the use of your 'Golden Medical Discovery' and 'Pleasant Pellets.' Am very happy to state that I commenced to get better from the start and have not lost a day this summer on account of my stomach. I feel tip-top, and better than I have for ten years."

Accept no substitute for "Golden Medical Discovery." Dr. Pierce's Pleasant Pellets regulate the bowels.

MISS FAY LEE,

President of the Shakespearean Club, Kansas City.

"Your booklet came to my home like a message of health when I had suffered with headache, backache and bearing-down pains. I was weak, nervous and hysterical and had not consulted any doctor, thinking it would pass away in time, but instead I found that the pains increased and were more frequent. I decided to try Wine of Cardui and in a short time was much improved. It seemed to act like a charm. I kept up the treatment and the result was most satisfactory. Words fail to express my gratitude for the suffering that is now saved me. I am in fine health, physically and mentally. I can only say 'thank you', but there is much more in my heart for you."

BEARING-DOWN pains are the worst that women know. If you are suffering from this trouble you need not be uncertain about it. The pains in the abdomen and back that feel as if heavy weights were pulling down on the nerves of the stomach are "bearing-down pains". They may not be particularly severe at present but they are growing worse. That headache which nearly drives you distracted now is caused by the terrible

nervous tension. The nerves soon begin to give way under the strain. You perhaps jump at any unusual disturbance, or laugh or weep hysterically, at no apparent cause. That is what Miss Fay Lee, 603 1/2 North Seventh Street, Kansas City, Kansas, was coming to when she rescued herself by taking Wine of Cardui. The Wine made her a strong, healthy woman again, as it has made a million other women strong and healthy. By inducing regular menstruation the entire system is relieved of the terrible wasting strains. The ligaments which hold the womb in place are strengthened by a healthy flow and that organ is returned to its normal position. Returning health is the result. This is what Wine of Cardui has done for thousands of the best women in America.

If you need advice write The Ladies' Advisory Department, The Chattanooga Medicine Company, Chattanooga, Tenn., describing all your symptoms freely, and a letter of advice will be sent you. Secure a \$1.00 bottle of Wine of Cardui from your druggist to-day.

Your Wife

can be provided with an annual income for life, in event of your death, at less cost than you can make the same provision for your children.

The low rate makes very attractive this form of contract, devised and introduced by The Mutual Life Insurance Company of New York.

On August 1, 1899, a young business man of New York took out Policy No. 100,748 in favor of his wife. He paid three premiums of \$500.00 and in September, 1900, he died. The company at once paid his widow \$1,000.00, and will continue to pay her that amount annually as long as she lives.

In writing for terms, state the amount of annual income you would like to provide for your wife, the amount of cash you would like returned and give the ages of both.

RICHARD A. McCANDY, President,

HISCOE HINDMAN, Manager,
